This class needs to be treated as any university class. If you drop the course you will need to complete a drop slip (available from your instructor or the NNU Professional Development Center). Drops must be processed **before** grades are posted, otherwise the grade received will remain on your permanent record. No tuition refunds are given for Professional Development courses.

When you receive your grade it will be an official transcript that is accepted by both the State Department of Education for recertification and school districts. Grades will be posted to the permanent transcript at the same time. If you need additional transcripts they may be obtained either by written request to the NNU Registrar's Office or via the Internet **www.nnu.edu** (academics, then resources, then Online Transcript Requests). NNU does not charge for transcripts.
